

ADDENDUM

CISCO ACCESS POINTS AND NETWORK ELECTRONICS, RFP #1345,

KATY ISD

TO: All Vendors  
DATE: November 3, 2009  
RE: Addendum #1, RFP #1345

**RFP #1345 Cisco Access Points and Network Electronics Questions and Responses**

1. Will the district accept cabling proposals to support the deployment of access points?

KISD has standardized on the Leviton solution and will accept cabling proposals from Leviton Premier Partners (LPP). KISD will accept category 5e and 6 complete end to end solutions for review. Rack space will be provided, but vendor must provide patch panel to termination jack. Patch cords in various lengths can also be submitted for consideration. Vendor must have a Service Provider Identification Number (SPIN) from USAC as this will be filed under internal connections for Erate funding. The following campuses and their associate run count and closet count will be submitted via a 471. The district will also entertain a district wide cabling proposal of 2015 data runs per the RFP.

CAMPUS	Name	Runs	Closets
