Change to:

**3.3.5 Individually Liable Option**

Provide a solution for employees and/or students to contract for services under a district program.

2. Reference to Section 7

**3.1.1.1 Network Architecture, Bandwidth and Capacity**

Current

... The district program and quantities are provided in Section 7, Appendix A: MISD Student Access Initiative.

Change to:

... The district program and quantities are provided in TABLE 3.4 Campus Student Populations.

3. (1) In Section 4.3.1, what is the desired quantity of Unlimited Data Plans required?

Potential devices and Wireless Internet Service Plans –

a. Existing Webb Elementary project –

4<sup>th</sup> Grade Students 75

Expand to 5<sup>th</sup> Grade Students 75

Total Potential for Webb Project 150

b. Expand to Remaining High Need Elementary Campuses – Finch, Burks, Caldwell, Malvern Elementary

4<sup>th</sup> Grade Students 305

Less Existing Webb Elem. 75

Additional Potential Elementary 230

c. High School Campus Potential Quantities - 1032

4. In Section 4.3.2, what is the desired quantity of Netbook's required? In Section 4.3.1.3, what is the type of device required **AND** what is the quantity desired?

MISD currently uses HP 1012 Netbooks with 2GB of RAM for the Webb Elementary project.

The response should include comparable or better netbooks, handhelds and tablets for the district to evaluate. All devices must have embedded Wi-Fi and broadband cards. Proposed devices and services will be evaluated on the features, functionality and performance of the device and the associated network.

5. In Section 4.3.1.3, what type of service does McKinney ISD want delivered on the devices?

This request is for Wireless Internet Services only. Unlimited, pooled and rate-limited plans can be proposed. The responses will be evaluated with the associated cost to determine the best service model for the district.

6. On the cover letter it states the electronic quotes will be accepted, however on page 16 it states that (1) original and (3) complete copies of the proposal must be submitted. Can you please confirm what will be an acceptable final product (hardcopy sent or electronic version submitted).

Request for Quotations, RFQ2011-Wireless, will be received by electronic quote or by hardcopy no later than March 11, 2011 at 1:30.
