October 21, 1999

Request For Fort Bend ISD Wide Area Network Proposal.

Sealed Turn-Key Single Mode Fiber Optic Wide Area Network proposals for the project plans; project management; design documents; installations; terminations; cabling; labeling; materials staging and testing of a district wide communications infrastructure.

Vendor will install a **single-mode** fiber optic cable system providing a minimum of six (6) strands of dark fiber from the district's Network Operations Center to each of 55 instructional and administrative facilities.

The proposals will be received by David Malone, Associate Superintendent of Technology, Fort Bend Independent School District Administration Building, 16431 Lexington Boulevard, Sugar Land, TX 77479, until 2:00 PM November 15, 1999.

The owner reserves the right to waive any informalities or to reject any or all proposals.

All questions regarding this RFP should be addressed to: Education Partners Solution, Inc, 3506 Hwy 6 S; Suite 226, Sugar Land, TX 77478, 281-494-0187, or email gifford@eps4.com.

The opening for the proposal will be held in the Fort Bend Independent School District Administration Board Room, 16431 Lexington Boulevard, Sugar Land, TX 77479.

Please call if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Ed Gifford'.

Ed and Polly Gifford, EPS, Inc.
